

Savannah River Ecology Laboratory
Aiken, South Carolina

FOR IMMEDIATE RELEASE: May 14, 2018

Media Advisory: Burke County Ecology Day
A day for learning; a day for fun

Who: The University of Georgia's Savannah River Ecology Laboratory

What: Burke County Ecology Day

When: Saturday, June 2, 10: a.m. to 2 p.m.

Where: Cornerstone Christian Center Church, 710 Stone Ave., Waynesboro, Georgia 30830

Burke County Ecology Day is a day for learning and a day for fun.

- Learn about the educational environmental monitoring resources in the county
- Discover, see and touch wildlife native to Burke County
- Participate in Science Demonstrations
- Sign up for the Citizen Science Program
- Participate in a Drawing
- Meet members of the UGA SREL Staff

Several local business and community organizations will be at the event.

**This free event is open to all residents of Burke County.*

For questions about the event, please call Megan Winzeler, the program coordinator, at 803-725-2649 or email mewinzeler@srel.uga.edu

Media Contact: **Vicky L. Sutton-Jackson**, 803-725-2752, vsuttonj@srel.uga.edu
